 (PDF)                      Maintenance

## Description:

Professional  
 Material: Nylon (fiberglass-reinforced)  
 O-Opening

## Technical Data:

Weight: 0.45 kg  
 Length: 31 cm  
 Force: 1.3 kN ~130 kg  
 Air supply: 8 bar (116 PSI)  
 Air consumption: max. 40 litres/Min.

## Variations:

Standard colour: Black

## Packaging:

Outer box: 20 units  
 Size: 825 x 360 x 345 mm  
 Weight: 14 kg
